Endowed Scholarships: An Enduring Impact

Autumn Jordan '23

Marketing and Global Business; minoring in Global Innovation and Entrepreneurship

I moved across the country from Virginia to attend Dominican. One reason was for the travel abroad opportunities. I believe there is so much the world has to offer. I want the chance to learn as much as I can through experience rather than simply textbook studies. I am beyond grateful to the Lepage family for

Randall Hall, PhD

Randall Hall joined the Department of Natural Sciences and Mathematics in 2012 as the inaugural chairholder of the Dr. Lillian L.Y. Wang Yin Endowed Professor in Chemistry.

I am grateful for the Lillian L.Y. Wang Yin Endowed Professorship. It has allowed me to purchase computer systems and software, and to support student researchers working during the academic year
